As of January 1, 2011

Harbour Pool's Policy on children left unattended in the facility will change.

"Children under the age of 8 must be accompanied in the water and within arms reach, by a responsible person 14+ years of age."

- ★ This policy is being changed in order to diminish risk and is supported by the Lifesaving Society, which is the agency responsible for helping to set the standards for safety in aquatic facilities.
