IMPORTANT INFORMATION

Compliance monitoring will be performed to assure compliance with the National Plumbing Code of Canada, applicable Alberta amendments and regulations and Alberta Private Sewage Systems Standard of Practice as follows:

Private Sewage Disposal System	Homeowner or Contractor Permit	One (1) inspection during installation/or final (within 30 days of permit issuance)
--------------------------------	--------------------------------	---

Inspections may be conducted at a later date subject to documented extenuating circumstances, as determined by a Safety Codes Officer. Extenuating circumstances may include: inclement weather, unforeseeable construction delays, etc.

PERMIT TERM :

The term of the permit is one (1) year from date of issuance.

PERMIT EXPIRY:

The permit expires if the work to which it applies:

- is not commenced within 90 days of the issue of the permit
- is suspended or abandoned for a period of 120 days
- is in respect to a seasonal residence is suspended or abandoned for a period of 240 days after the work is commenced.
- permit is expired (one year from date of issuance)

PERMIT EXTENSION:

On receipt of a written application, a Safety Codes Officer, may in writing, extend a permit for a limited period of time, if the permit has 'not expired' when the application for extension is made (note expiry conditions above).

FEE REFUNDS:

Should a permit be cancelled, the holder of the permit must submit a written request to the City of Fort Saskatchewan. The City of Fort Saskatchewan will refund as follows:

- To the permit holder, if there has not been an inspection - holdback of 50% or \$50.00, whichever is greater. No refund of the Safety Codes Fee.
- To the permit holder, if an inspection has been held - no refund.
