### 6.24.6 Architectural and Design Features

- (a) To improve the architectural interest of the streetscape, each principal building shall be individually defined through a combination of architectural features that may include, but are not limited to, variations in architectural styles and rooflines, articulation of the façade, building massing, provision of porches, verandas, and balconies, variation in building materials, colours, and other façade enhancing treatments to the satisfaction of the Development Authority;
- (b) The front façade of the building shall incorporate architectural treatments complementary to the architectural style including features such as open gables, dormer windows, windows with bold trims, shutters or canopies, and accent colours and materials to the satisfaction of the Development Authority;
- (c) Accent materials such as stone, brick or shingles shall amount to a minimum of 4.65m<sup>2</sup> of the total area of the front façade of a principal building;

- (d) The front façade of a principal building shall provide features such as windows, doors, dormer windows and balconies avoiding extensive blank walls;
- (e) The side façade of a principal building on a corner lot facing a public roadway shall be treated as a front façade;
- (f) Principal buildings with similar or mirrored front elevations must be separated by a minimum of two lots along the same side of the road, unless the finishing materials, architectural styles and treatments are substantially different in the opinion of the Development Authority; and
- (g) An accessory building shall follow the same exterior finishes as that of a principal building on the same site and shall be complementary to the principal building in the opinion of the Development Authority.

#### **6.24.7 Additional Development Regulations**

- (a) All development and uses within this Land Use District are subject to the applicable provisions of Part 5 - General Regulations for all Land Use Districts, Sections 6.1 to 6.11 of Part 6 - Residential Land Use Districts, Sections 11.1 to 11.5 of Part 11 - Direct Control Land Use Districts, Part 13 - Parking and Loading, and Part 14 - Signs.
- (b) Notwithstanding Section 3.4 of the Bylaw, an application for a Development Permit for Single Detached Housing shall also include the following:
  - i. Colour elevations for each building façade that faces a public roadway, or a public open space except for a lane.
