

NEW SIGN Permit Application Checklist

Address of Property: _____

Business Name: _____

When you apply for your permit for a sign, you ensure that the sign you plan to install meets all applicable regulations. When you submit the following, you will avoid any processing delays:

Development Permit Application Form (Attached)

Signatures are to be included from the applicant and the registered landowner on title. Permits without landowner consent cannot be accepted. Please ensure that construction value is specified.

One (1) Hard Copy + One (1) Digital Copy of Drawings

Complete drawings will include a sign copy and elevations plans. The front elevation will show the sign height measured from grade to bottom of the sign.

One (1) Site Plan

Complete site plans will show the location of the sign placement and the proposed setbacks from existing property lines & intersections and site access points (where applicable).

Advisements:

- Depending on the nature of your sign, a Building Permit may be necessary upon review by our Building Inspector. As a result, cross sections and specification details may be requested.
- If you are unsure how your proposed sign is classified, please refer to Section 12 of the Land Use Bylaw .
- The applicant should direct applicable sub trades to apply for the following permits if required: Electrical.
- Development permits for all signs are to be in place prior to sign installation.
- The Community Standards Bylaw C16-12 is in effect.
- A Business Licence is necessary for new businesses in Fort Saskatchewan. Business Licences' can be pulled concurrently at the time of this application.
- Fees are to be paid at time of application.

If you have any question regarding the application process or completing the forms, please contact Planning & Development Services at 780 992 6198 or fortplanning@fortsask.ca. If you have any questions regarding the building permit process or the Alberta Building Code regulations, please contact the Building Inspector at 780 992 6690.

Incomplete submissions will not be processed
