Indemnity and Liability

I the undersigned acknowledge that:

- I understand that the nature of this project involves risks and dangers of serious bodily injury, including (but not limited to) permanent disability, paralysis and death ("Risks") and consequential injury, to the Applicant or any of its employees, contractors, agents, invitees, or others for whom the Applicant is responsible for at law, or other persons who may be in or upon the public property. These Risks and dangers may be caused by their own actions, or inactions, the actions, or in-actions of others participating in the project or the circumstances in which the project takes place. I fully accept and assume all such Risks and all responsibility for losses, costs and damages incurred as a result of their participation in the activity;
- The Applicant's use of public property are at the sole risk of the Applicant, and the City of Fort Saskatchewan (City) accepts no risk for injury (including death) of the Applicant and Applicant's invitees. Any/all personal property or materials brought into or onto the Premises by the Applicant, is done so at the sole risk of the Applicant. The City does not accept any responsibility for loss or damage to such personal property or materials.
- The Applicant hereby releases, discharges and covenants not to sue the City, its directors, agents, officers, members, volunteers, employees or contractors (the "Releasees") from all liability claims, demands, losses or damages on their account caused or alleged to be caused in whole or in part by the negligence of the Releasees; and they further agree that if despite this release and waiver of liability, assumption of risk and indemnity agreement, anyone on their behalf or individually, makes a claim against the Releasees, they will indemnify, save, and hold harmless from any litigation expenses, legal fees, loss, liability, damages or costs which we may incur as the result of such claim, so long as the claim is relevant to the this project, save and except when such claims, costs actions, damages, losses, liabilities or expenses as aforesaid are caused directly by the negligence of the City, or as a result of a breach of this Agreement by the City.

Conditions of using Public Property

The Applicant acknowledges that:

- I am liable for all damages to public property caused by me or my agents and I am responsible for restitution and repairs to the City of Fort Saskatchewan’s satisfaction. Damage to be repaired may include but is not necessarily limited to soil compaction, disturbance and damage to turf, trees, shrubs, or any other vegetation; damage to pathways, roadways, curbs, parking lots, installations, including signage, site furniture, irrigation equipment, and any other site amenities. Repairs include returning the damaged area to the pre-existing conditions and to the satisfaction of the City of Fort Saskatchewan
- I am responsible for any resulting clean up as a result of this access
- I am responsible for adequate Traffic Control (may require additional permit)
- I am responsible for any vehicles used during the access of City Property under this permit
- The City will inspect all access points before and after the above stated access dates.

Your permit may require that you provide proof of insurance and you will be advised once we have reviewed your application. Should your permit not require proof of insurance we would still encourage you to ensure that you have appropriate Liability and Property Insurance
