

Construction activity near the Dow Centennial Centre

Our patrons have been asking what all the construction is around our facility. A few things are happening.

engaged people, thriving community

Catholic High School

Work on the new St. André Bessette Catholic High School in Fort Saskatchewan is on schedule and making great progress. At this point, the majority of the school exterior structure has been completed and contractors are currently wiring and putting in plumbing and utilities. The school is anticipated to open for the 2018 school year. Please contact Elk Island Catholic Schools at 780-449-7487 for more information.

High Performance Sports Field

This City of Fort Saskatchewan multi-sport facility is designed to accommodate Soccer (FIFA regulation size), Football (CFL Size), Lacrosse, and Rugby. This includes the Fort Saskatchewan Soccer Association and Fort Saskatchewan Minor Football.

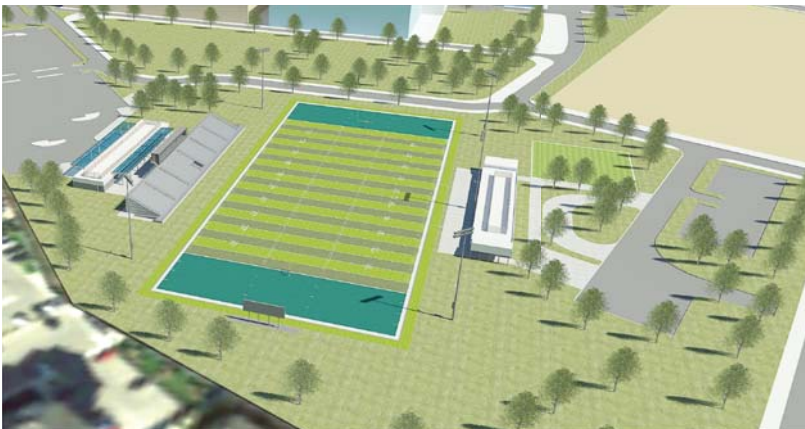

Photo is a representation only. Anticipated opening for users is spring 2018.

Transit Park n' Ride

The new Park n' Ride will act as a multi-modal transportation hub accommodating both the Fort Sask Transit routes 582 & 583 and Edmonton Transit route 580 to Clareview Station with the addition of 300 parking stalls and bicycle parking. This location will also include a sheltered waiting area. The paving should be complete this fall.
