1. Under the provisions of the Constitution Act, individual property owners who are Roman Catholic must direct their property taxes to the Roman Catholic Separate School district where both separate and public school districts exist. Those who are not Roman catholic must direct their property taxes to the Public School district.
2. In the City of Fort Saskatchewan, or in a portion of the municipality, both a Public and a Roman Catholic Separate School district exist.
3. When the property is purchased within the municipality of Fort Saskatchewan, the purchaser is required to file this declaration of school support with the City of Fort Saskatchewan.
4. To ensure that property taxes are directed correctly, it is important that all property owners are designated on the School Support Notice and that the percentage of ownership adds up to 100 percent.
5. The school support declaration applies to all property located within the City of Fort Saskatchewan, whether the owners reside in the City of Fort Saskatchewan.
6. Property owners can file a new school support declaration or change an existing one at any time.
7. The school support declaration becomes effective in the taxation year following the year in which it is filed.
8. Only property owners, not tenants are entitled to file a school support declaration.
9. If this declaration of school support is not returned to the City of Fort Saskatchewan, the owner's property is assessable for public school purposes. The taxes on such property are directed to the Alberta School Foundation Fund and redistributed on an equal amount per student basis to public and separate school boards in Alberta.
