Introduction

The 2016 Municipal Census was conducted by the City of Fort Saskatchewan, Corporate and Protective Services Division, Legislative Services Department.

This report provides data collected between April 4, 2016 and June 8, 2016 on the number of residents in the home, the age and gender of each, employment status, employment location, and length of residence in this municipality as well as other information. More information on the 2016 Municipal Census can be obtained from:

Brenda Molter
Director, Legislative Services

Methods

Under the supervision of the Legislative Services Department of the Corporate and Protective Services Division, residents were able to complete the census online.

Enumerators only visited households that did not submit an electronic census by April 25, 2016 and entered the information electronically right at their door.

This report presents the results of the census in tables and figures. Where possible, census data from 2015, 2014, 2013, and 2012 are provided for comparison and to identify population trends.

Results
