Introduction

The 2014 Municipal Census was conducted by the City of Fort Saskatchewan, Corporate and Protective Services Division, Legislative Services Department.

This report provides data collected between April 28, 2014 and June 9, 2014 on the number of residents in the home, the age and gender of each, employment status, employment location, and length of residence in this municipality as well as other information. More information on the 2014 Municipal Census can be obtained from:

Methods

Under the supervision of the Legislative Services Department of the Corporate and Protective Services Division, residents were able to complete the census online.

Enumerators only visited households that did not submit an electronic census by May 19, 2014 and entered the information electronically right at their door.

This report presents the results of the census in tables and figures. Where possible, census data from 2013, 2012, 2010 and 2009 are provided for comparison and to identify population trends.
