Methods

Under the supervision of the Legislative Services Department of the Corporate and Protective Services Division, residents were able to complete the census online.

Enumerators only visited households that did not submit an electronic census by May 11, 2015 and entered the information electronically right at their door.

This report presents the results of the census in tables and figures. Where possible, census data from 2014, 2013, 2012, and 2010 are provided for comparison and to identify population trends.
