CITY OF
FORT SASKATCHEWAN

DESIGN GUIDELINES

Awning and Canopies must adhere to City of Fort Saskatchewan Land Use Bylaw and may require encroachment agreement.

Items display should be arranged in a safe and appealing manner.

Furniture used for display should be durable, safe, movable and non-combustible. Umbrellas and temporary canopy structures are not permitted on public property.

Sandwich board signs can be used without restricting pedestrian traffic.

OPERATIONAL REQUIREMENTS

Must provide a 1.2 m of clear pedestrian zone and unobstructed entrance.

Business operator is responsible for snow removal from the pedestrian walking area and clean-up of any spills.

Furniture must not be secured to public property or anchored into the pavement.

Furniture must be taken inside the business premises after operational hours.
