Introduction

The 2017 Municipal Census was conducted by the City of Fort Saskatchewan, Legislative Services Department.

This report provides data collected between April 3, 2017 and June 5, 2017 on the number of City residents in the home, the age and gender of each person, employment status, employment location, and length of residence in the City, as well as other information. Additional details on the 2017 Municipal Census can be obtained from:

Legislative Services

Methods

Under the supervision of the Legislative Services Department, residents were able to complete the census online.

Enumerators entered census information electronically at each household which did not complete their census online prior to April 24, 2017.

This report represents the results of the census in tables and figures. Where possible, census data from 2016, 2015, 2014, and 2013 are provided for comparison and to identify population trends.

Results

Total Population
