Hi Dean,

A close review indicates the annexation will have no impact on any provincial highway. As a result Alberta Transportation has no questions or comments.

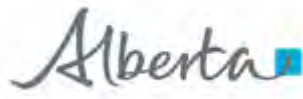

Thanks,

Patrice Ndiangang, P.Eng.

Hello Patrice,

I send the email below (with the following attachments) to Lisa at the end of April and never did get a response. I followed up today via email and received the response that she is away until June 21 and to contact you.

The City of Fort Saskatchewan was hoping to get a letter of support from Alberta Transportation prior to submitting the formal annexation application to the MGB. Is this something that could be provided and if yes, could that be provided by Monday May 31, 2021?

Thank you,
Dean

Subject: City of Fort Sask - annexation proposal - portion of a range road

Hello Lisa,

I am reaching out to you to see about obtaining a letter of support from Alberta Transportation for a proposed annexation of a portion of a range road. I was wanting to include this letter in the city's formal application to the MGB.

Attached is the notice of intent that was mailed out to the regional director on March 24, 2021. I am not sure if this has come across your desk. Can you please let me know if that is possible? We are anticipating to submit the formal application in mid May.

Thank you,

Dean McCartney
